Automated Inspection Scheduling System

Call 804-751-4444

PLEASE CALL BY 8 PM for next day inspections.

Services are available 24-hours a day to:

- Schedule inspections, even several days in advance
- Cancel inspections
- Retrieve inspection results
- Project History by Fax

Before calling you will need:

- Touch-tone phone
- Permit number
- Customer Pin Number
- Inspection code (see back)

The voice prompt sequence is as follows:

- Press 1 to schedule an inspection
- Press 2 to cancel an inspection
- Press 3 to obtain inspection results
- Press 5 to hear the website address to check permit status
- Press 6 to obtain report of inspections for a particular day
- Press 0 to transfer to BI staff
- Press # to disconnect and hang up
- Press * to get more information and options at any time.

NOTE: A **Reinspection Fee** will be assessed to **all permit holders** on the 3rd and subsequent trip for the same inspection type.

A **Not Ready Fee** will be assessed to **all permit holders** when the work for which the inspection requested is still being performed when inspector arrives to perform the inspection. This fee will be incurred on any inspection where the inspector cannot and has not yet inspected the inspection type requested.
